## TO OUR GLAD FRIENDS

Greetings, and best wishes to our many customers, and Glad friends in the coming Season. The 1951 Season was a most successful one with us. We found ourselves completely sold out on many varieties, well before planting time, thanks to you! Our bulbs were planted in a new field of virgin soil, just loaded with humus, and the resulting spikes, and bulbs, were really something!

At the Rhode Island Gladiolus' Society Annual Show at the Kingston Fair Grounds, our TIVOLI won Best Basket, and 1st in Color Class. Out of our many entries in the Color Classes, we won ribbons on all but two entries!

Very consistant Winners in 1951 Shows the country over (and included in our list) were, - AUREOLE, BOUTON Dor, BURMA, CONN. YAN-KEE, CORONA, DAISY MAE, EVANGELINE, FLORENCE NIGHT-INGALE, GENERAL EISENHOWER, LEADING LADY, MANSOER, MORNING KISS, ORANGE GOLD, PACTOLUS, PATROL, PAUL RUBENS, PHAROAH, PICARDY, RAVEL, RED CHARM, SAL-MON'S GLORY, SILVER WINGS, SKYMASTER, SPIC & SPAN, SPOTLIGHT, and far from last, in fact the TOPS in light pink, TIVOLI.

We add new varieties each year, but find that the above varieties, when well grown, and exhibited, are very hard to beat on the Show table. Add to this, the fact that they are considered top commercial varieties, and you really have something!

What pleases us the most, however, is the many enthusiastic reports from our customers, concerning their successes with our bulbs in 1951. We have yet to hear a dissenting voice, and are pleased that we had a small part in their winnings. We invite you to visit us at Blooming time (August) and inspect our Glad and Dahlia plantings, and the many promising Gladiolus Seedlings that we are propagating.
